Proposed Change

s. 46.95 (2)(f) (7) Award ~~a grants of \$25,000 in each fiscal year to each of 30~~ domestic abuse organizations to enhance support services. Funding may be used for such purposes as case management; children's programming; assisting victims of domestic abuse to find employment; and training in and activities promoting self-sufficiency;

s. 46.95 (2)(f) (8) Award ~~\$200,000 in~~ grants in each fiscal year to organizations for domestic abuse services to individuals who are members of underserved populations, including racial minority group members and individuals with mental illness or developmental disabilities. A grant to an organization may not exceed \$60,000.

s. 46.95 (2)(f) (9) Award a ~~grant of \$25,000 in fiscal year 1999-2000 and a grant of \$50,000~~ in each fiscal year thereafter to the Wisconsin Coalition Against Domestic Violence for the cost of a staff person to provide assistance in obtaining legal services to domestic abuse victims.

Effect of the Change

This change will enable the Department to distribute domestic abuse grants and future reductions in a manner that best serves the needs of the Department.

Rationale for the Change

Wisconsin statute s.46.95 (20)(f) requires that the domestic abuse grant program distribute \$1,000,000 in program grants to certain agencies providing supportive services. 2003 Act 33, the biennial budget bill, decreased total funding for the program by \$250,000 TANF, but did not reduce the amount of the grants the department was required to distribute.

Subject: Re: FW: LRB Draft: 05-0284/1 Domestic abuse program funding

Dennis,

I have a couple of changes for this draft. In response to the drafter's note, under s.46.95 (2) (f) 7. the phrase in each fiscal year should not have been eliminated from the language -- that was my error in the stat. language request. So, the requirement to award grants "in each fiscal year" should be retained under s.46.95 (2) (f) 7., 8., and 9.

Second, the Department would like to eliminate the phrase "A grant to an organization may not exceed \$60,000" under s. 46.95 (2) (f) 8. The rationale behind this is that if funding for domestic abuse services is ever increased in the future, there would not be a cap on any particular type of grant.

Thanks,
Nicole
